Saturday 27th Very warm, Charlie
Butler came over in the morning
with a stick for a tongue for the
disk, he let Toby drive his team
and I drove Bill and Harry Analy's
horse until noon. Bill helped
Charlie put the tongue in the
harrow and went down town in the
after noon. I worked the corn ground
Hattie went down town in the after
noon.

Sunday 28th Another scorcher
I drove Toby down to Sunday School
then came back and took Hattie
down to church. I did not go but
got the safe out of the cellar
and some raspberries up for
Alice, we all came home to dinner
I had a lot of chores to do. Toby
and Hattie walked to church in
the evening and I went up to Marshall

Monday May 29th Not quite so warm
to day. Toby disked corn ground till
noon. I sowed mangles. Bill came
back at noon and made a corn
marker in after noon. Hattie, Toby &
I went down home after dinner
I got my other set of harness and
seed corn & potatoes, and some
things from the house we did
not get home until six after tea
Hattie sister drove out with
Bruce McPherson. she is here
now. Dick got the lost turkey

Tuesday 30th Sun arose looking very
like rain but it cleared off by evening
without a drop falling. was cool &
cloudy all day. Bill and I worked on
the corn ground till noon. after dinner he
began marking and I cut seed potatoes
until he began cross wags then I commenced
planting. Toby went down town right after
dinner and got a planter. Bill finished
marking about 5 o'clock he put his team
