Nellie Dora & I
went to Elder Patton's

Cherries. day pleasant
good visit. they are all
so kind. A fearful
thunder storm at night
we drove my hard and
just got home about
two minutes before it
rained my hard. The
lightning and thunder
was fearful. I was never
out when it was so dreadful
Nellie was much frightened I
was too till I found she was
afraid then I felt I must be
calm and really was so
God mercifully brought us safely
through.
