MARCH MONDAY 12 (71-294) 1923

Snowed and blowed nearly all day Will Monoughan and I worked at the Engine all day over to Office in the evening

TUESDAY 13 (72-293)

Fine but quite cold. Will Monoughan and I worked at the engine for a while in the forenoon Will went to Gananoque in the afternoon John Simpson and I worked at Engine part of afternoon over to Office in the evening

MARCH WEDNESDAY 14 (73-292) 1923

Fine and some warmer Today Will Monoughan and I took the crank cap off of the Engine and took out some of the packing in the forenoon. and we put it out side after dinner and run it nearly all the afternoon over to Office untill late tonight

THURSDAY 15 (74-291)

Fine day around Village all day I was up to hardware shop most of the forenoon. Millard Simpson brought me a load of wood after dinner. I went up to Barber shop and spent most of afternoon over to Office in the evening
