FEBRUARY Ash Wednesday (Quebec) WEDNESDAY 18 (49-317) 1920

It was a beautiful day we tramped the snow down with the horses and broke the road with the the Doctor was in and lanced his neck I helped wash in the forenoon

16 It was quite soft George was quite bad the snow went very fast it was a very high wind

THURSDAY 19 (50-316)

It was a fine day we started to clean up after the scarlet Fever I went to Spencerville in the after noon and around by Mc Eevers

17 It was quite nice and windy but clear i just done the chores Jud & I sat up with George
