Wednesday Oct. 26th Cool to-day. Went down town in the morning with S. S. collection. Got a bouquet out of garden after I came home and fixed grape fruit. Mr. & Mrs. Tuer were here for dinner. Typed list of books for library for Mr. McNeel and Mrs. Ferguson. Went to office and made entries. Called at Mrs. Ferguson's with list and at Mrs. Beattie's to return her cards. Got letter from Nell saying she had decided not to have Doug's party on Monday so will not go to Toronto on Friday but will wait until some time in November. It is said Lloyd George is to be there about 15th or 19th so will wait so as to be there while he is there. Dorothy down at Mair's in the evening. Wrote to Nell.
