It was nice day we started to take the stone off the new land

14 It was quite cool we plough for buck wheat we all went tower to Prayermeeting to the church

It was a nice day we drew stone off the new land Dada & I went up to Alfie Wallace & went to Mrs Constable to hire A Tillion to teach school

15 It was nice but cool I went to Spencerville in the morning and after Laura and we went back to Heuston to a social the Decration of the Orange Hall
