Sat Nov 8 cloudy and cool thear a little roun last night Dick called thus after noon

Sun Nov 9 Snow most of the day the wind is getting in the North I think it going to be colder

Mon Nov 10 there was about 7 inches of Snow fell last night with a high wind from the North it in grate drifts this morning I dont remeber of being back anyt at this time of year before Charley called to see if I was alive I had rather a hard night I was sneezing and coughing all night it was little sleep I got

Tue Nov 11 cloudy and cool Duck came here about noon he explain the damage the Sea had done I was shoveling the Snow out of our pathes

Wed Nov 12 clear and pleasant it thaws a little thes after noon the Sleighs and cutters were running

Thu Nov 13 a heavy fog in the fore noon there was thunder and rain this morning that took away the Snow very fast no Sleighing to night

Fri Nov 14 clear and warm Sarah was here Charley called this after noon

Sat Nov 15 cloudy and cool in the fore noon Snow this after noon Charley was here

Sun Nov 16 clear and pleasant wher the Sun Shines the air is cool

Mon Nov 17 cloudy and soft it looks as if might get a Storm

Tue Nov 18 a cloudy fogg day and soft ~~fine~~ fine wheter for fall plowing

Wed Nov 19 cloudy and soft there was last night the roads are bad
