## Prescribes with Great Confidence.

A physician of Cheshire, Eng., reports: "I am very pleased to tell you that I have found Pepto-Mangan (Gude) to be an excellent preparation and one that I can prescribe with the greatest confidence."

Weather

Temp.

Rather cold I next to say lunch  
about noon, I went to the Dr.  
waited for John to come from  
St Thomas, but he did not come.  
The big who's we had three pounds  
Clarence was over & helped Eugene  
feed them. Will have to make  
a pet lamb of one. Eugene  
Maudie's mellow all went to  
Mr Dances to a party last  
evening, didn't get away until  
nearly ten. Good wheeling
