FRI. MAR. 18, 1898

Wea.

W. G. was up first and called me, as we have to go back to the threshing this morning, they threshed till noon. I did not get home till about 5 o'clock.

Mrs Noble & Hall were both here today to see Annie G. she is very weak, she can take no nourishment.

Ther.

SATURDAY 19

Wea.

I rose this morning and blacked the stove before I made the fire. after breakfast I did some work in forenoon. and after (ed) dinner I swept and scrubbed. Phemia came down for a little while she had tea here there was thunder & lightning with rain.
