July
name

For our layan at the church it is 30 feet on
every 20 on the South end 16 on the North end 30 East about Sixty

There rain last night & this morning every thing look
washed & till of this morning I went to young
Robert Beath & mended a stake out a piece of land
Ellen went with my Henry went to the Mill for a

2 went to Brockville & agreed with Mr Leroy for
Stores for Grandpas grave John & Mary Bradens

Henry
helped them
to feed Bank

John is to be 13 Mary 9 Fathers is to be the same as
Mathers he is look at it & make it the same
came back to Robt at night five day

3 come home all well Henry went to the Rock for
a load of Shingles byought 5000 x 1/2

4 I went with Mr Matthews to Mr Darlings & kears
Henry went for a load of lumber

5 Henry went to a Rec of Mr Darlings to draw brick
from Escott they raised a large building at the station
in the afternoon I attended an agriculture meeting

6 the Revd Mr Gordon preached at night & a new
minister in the morning Mr Matthews went to Shonnerville

7 Henry drove 2 loads of lumber I went through the
patatos Mr Matthews got home on the Express

8 Henry went to the Rock for Shingles there is 23000 x 3/4
worked at the patatos

9 ~~for in that night and day~~ cleaned ^{apace} ^{saff} ^{patatos} out the Barn

10 worked at the Barn & feed the mawer ready to
maw rained so we did not begin

11 mowed about half the Orchard it is very
light & work at the Barn

12 began to mow in the South west corner feed
mowed about half of it it is very light

13 Revd Mr Matthews preached this morning no
meeting in the after-noon there is a field meeting
in Dulcismain

14 Henry Patience & his two hands helped me at the
Barn ^{shuling} ^x shingling ~~to work till noon~~ Henry & ^{patience}
helped there till noon Henry raked the corner

15 Patience & his hands helped me to shingle I had
a kind of Sun stroke at noon could do no thing
in the afternoon they got one side done all but one
in the evening & the other 2 hands

paid at 15
of d
per
