Saturday Oct. 29th Beautiful day. Went to Mrs. Beattie's in the morning to get some eggs. Then went down town for meat and brought it home. Went back to office and made the entries. After dinner went into garden to superintend moving of plants and straightening of borders in the garden. Taking a plant to Mrs. Beattie (after wrapping gift for Steven (at Mrs. Wellington King's for Elizabeth King) up for Dorothy and getting she and Margaret away) Mr. Bell calling at Ferguson's to take Miss Elsworthy for a drive asked me to go along so Mr. & Mrs. Bell, Miss Elsworthy and I went for a 10 mile drive (like Spring. Had no coat on working in garden) Went to office. Miss Smart & me Caldwell were busy working in vault so I took a 4 page examination
