1864

April 21 Began to make the East line fence with brants ~~fence~~ at
at noon little frost last night went to James Saltmers wifes funr
the Revd Mr Brown preacher there was 32 waggon & buggys
22 worke at the fence fine day
23 finished the fence as far as our crop fence a fine day
rain drizeling rain in the forenoon did drew some stones
for ~~[illegible]~~ the foundation of a stone
off Mr Reids in the afternoon heavy rain in the afternoon
24 the Revd Mr Reive preached at the School house
rain 25 worked at a cultivator heavy rain most of the day
the woods begin to look red 26 Do Do dull heavy day
27 went to the Turner neabourhood to see if there
was any that would sow flax come on a heavy
Snow Snow Storm so that I had to stop all night
at Thomas Davises there is some that will sow
a little
28 came home from Davis this morning the
roads is very bad
29 went to see Mr Salisner about sowing flax
he will do all he can fine day did got
five hundred of hay from Crosbe yesterday
30 went over the lower end of the School section
to see and get the School bill & see if there
was any that would sow flax there is some that
will there has forty bushel of flax seed
come from Mr Walter of Brockville for
me to the Station fine day
did went to Young to see about the sawing
of the logs but was got of Hogaboon yesterday
