155 DAYS PAST

210 TO COME

"Give and Take" is Interfered With.

An essential "iron lack" in the blood renders normal oxygenation of the tissues impossible and the "give and take" of repair and waste is thus interfered with. Pepto-Mangan (Gude) supplies the necessary hemoglobin-producing material, in promptly assimilable form, in anemic, chlorotic and marasmic conditions.

Weather

cold & rainy

Temp.

I drove the girls to school  
& then this afternoon I went  
& got Billy shod & brought  
the girls home. Was in to  
see Mrs Eline & Mrs Aug.  
Ced I thump some little Colt.  
Born this morning, the Grey  
mare colt, I have eighteen  
little Geese. I was over to  
Mr Leves & took them some  
leabage plants, a peccak  
killed 26 of Leves Ducks  
Billy 10 N & dia 3. Polly 2 1/2
