1866

August 16 Raked the hay & drew it in & laad of laase Rye
17 worke at the Rye raketng & drawing in.
18 finisht the drawing in of Rye Thomas Bradley
& his man cradled the peice of aats out of the
peas & then cut some of the wheat at the ole
rain house heavy rain between 5 & 6 oclock
19 the Revd Mr. Bull preacht in the Schoolhouse
rain heavy raen most of the day so that he could not
go to Reeds Reed did not come for him
20 worked at the wheat. Mr Cornet helped us in
the afternoon fine day
21 worke at the wheat in the forenoon then we
drew in the Reed aats & the most of the aats
Bradley cut on Saturday Mr Cornet helped
22 heavy raen last night & this forenoon we
unloaded a load of aats & cleaned the floor &
the granery we expect the threasher worked
at the wheat at the ole house
23 worked at the wheat finisht that at the ole
rain house a little raen to day my side very sore
24 I tried to cradle at the house my side is
so bad I can do nothing Mr Cornet helped
in the afternoon to cradle the fall aats
I got Bleacher Shaw on the third floor
25 Rube cradled aats in the forenoon I ma
them that was down I finisht them & in the afternoon
noon Rube helped Mr Cornet to draw the
26 the Revd Mr Bull preacht in the Schoolhouse & dined
in the afternoon
27 drew in 2 loads of wheat the morning at
rain & raind Rob & Story came here on Saturday
Humph Young & Stacy came here to throsh about 4 oclock
28 throshed 98 bushel of oats & 44 of Spring Rye then we went at the
fall Rye
29 finished the throshing before noon had 62 bushel of the fall Rye
Ben Shaw & Crosby Young Mr Cornet & Johnston helped & Rube
J. Reed helped part of the time were this afternoon
30 worked at the wheat in the morning drew in 1 load of the fall oats
31 drew in 5 loads of fall oats
