Morrow and to take him over to Miss Kirkwood's where he is to stay.

Sunday Nov. 6th Half snowing - half raining. Charles and I went to church in the morning. (Dr Currie (brother of Mr. Currie in Jaca) preached. Picked out hymns and slides for S. S. Mr. Halliday not there - and only Ted Dash of the Orchestra. Got Mrs. Crow to get a choir of girls to lead the singing. Went to enquire for Mr. Stuart after S. S. and found he was somewhat better. Then called to see Mrs. Hooper who came home Monday from her second series of radium treatments - She is much better. Charles went to church at night but I did not go - ankle sore - Charlie taking church services at Burgoyne and Port Elgin to-day
