295 DAYS PAST

70 TO COME

Tardy or Rapid Recovery?

After an exhausting illness the patient always inquires, "how soon will I be up and around?" To boost, brace and tone, no medicinal agent is quite equal to Pepto-Mangan (Gude). It restores appetite and color, vitalizes every function and re-creates strength and vigor of blood and body.

Temp.

A warm fine day
Pa took the pigs away. The
girls wheeled to school. I
went to Aybrier this after-
noon & got the cheque.
Cashed & paid Murray
Farrington. Bought one
a new gurnsey. Maude
& I went to Orwell to see
a bureau.
