by Post-office to post Dorothy's letter.

Tuesday Oct. 25th Nice day. Went down town in the morning and made the entries — Get chickens for dinner to-morrow, did some shopping for Dorothy etc. Did the darning and mending called at Tuer's with message for Charles. After dinner went down town with Dorothy to buy prize &c for her Bridge Club which meets here to-night. Helped her get ready. Went over to Beattie's to borrow some packs of cards for her. Played bridge in Alma's place until 10 minutes to 9 then went to Library Board meeting at Public Library. After I came home I helped Dorothy serve her lunch.
