

Monday
30

July 13th 1874

Having potatoes for Dealy
Edmunds. I done about
a half days work it
being rainy. I got 40 ^{lbs}
I took Henry over to John
Davies in the evening.
Pa got one of the wagon
wheels fixed today.

14 Hoed and weeded Turnips
and cabbages out in
the forenoon. I went
to Miss Grey's School
examination in the
afternoon. I enjoyed
it - splendid. I like her.
Pa and I was pulling
the cockle out of the
wheat at the point -
I didn't get it all out.

July 15th
Held Mr Simon Chalmers cut about
half of the field beside the
road; it is the first of our
haying. There was a big
~~thunder shower~~ last night.
Drew in one load of hay.

16 Rained last night so
that we can't draw hay
until after noon. I took
a load of brick up to
Liffalls for John Woods.
Charged him \$1.⁰⁰
Drew 3 load of hay in
the afternoon.

by thunder shower last night.
17 Finished field in forenoon.
I went down to John Ballant
in the afternoon. Henry helped
Dealy Edmund.
John and Thomas Pullen and
mine's 3 children and servant
