Friday Sept 2. Very hot. Bathtub poor substitute for Lake Huron. Went to the office & worked all day. Have all the five weeks' filing done. After tea Charles and I went over to see Miss Jennie Halliday who is convalescing at Mr. M-a's. Mrs. Ferguson & Winnie called while we were there. Thunder storm & heavy rain. Charlie 'phoned me from Wiarton that they had got so far on the way home when something went wrong with the car and they were going back to the Lake for the night. He also told me that Harold Wright had died in the morning as a result of an operation for obstruction of the bowels.

Saturday Sept 3rd Very hot. Dorothy feeling somewhat better. At the office. Dorothy and I
