Fine sunny a.m. dark clouds gathered P.M. thunder lightning and rain again a very wet time a bright rainbow seen in P.M. right close on fence of No 5 from house. We saved the rest of the wood with engine in morning then Willie drove Mary around to Frodshams, Byers, Gass etc collecting for Mrs Barlow's present which they presented her P.M. Willie took broken part of engine to Hodge also broken wheel to get mended. I got harness machine boat and other things done. P.M. Willie drove down Punch in buggy got bag flour. P & S ^{paid Mary} radji got Punch shod Hodge it and things mended with wood part we got bread Simpsons 19 ct. He drove along S & S and changed places with one harrow in 106 at barn he also cultivated. I drove home got ready to plow at house orchard, was stopped by rain. Harrow over got 1 bushel oats 55 ct. Mary got fish the other day 15 ct. We drew up into barn again

Friday

Mostly fine sunny. a slight shower P.M. Willie brought up father a.m. drove him down after tea. We cultivated harrowed and sowed the goose wheat next other barn fence and below the barn then some barley to G.S. and above barn. we sowed down with it. We treated the goose wheat with formalin. We use 3 horses in harrows and 3 on seeds P.M.
