

Wolford April 25-

25 Plowing. I took Mary up
to the station for to go
over to Uncle William's
Aunt won't live long.

It is a rough cold
boisterous day, snowed.
I went over to Geo Barber
and got my hair cut.

I went to Uncle John
Coolidge and got $\frac{1}{2}$ bushel
of grass seed at 40 per bushel.

26 It is a cold rough boisterous
day snowed in the A.M.

I went to the station today
and got my boots at last.

There is a new milliner shop at
the station kept by a fine
young lady.

27 Rev Mr Slater preached today
mildling fine day

Wolford April 28

28 Plowing in the P.M.
Sowed a piece of wheat
harrowed and rolled it
in the A.M. Plowed in
the back field in the P.M.

29 Plowed in the back field.
Beautiful day

30 Finished plowing in back field
and harrowed in the tobacco
field.

May 1 Sowed about half of the tobacco
field. Harrowed in the back
field for sowing peas.

2 Sowed the back field to peas.
Cold and rough. Rained all the
afternoon. I went to the
corners and to the station
in the P.M.

I wrote a letter to Helen
last night and mailed
it today
