

Let Mrs. Graham called. Mrs. Beattie and I were out showing Mr. Phillips where to plant the plants in my new border under the library window. Then Jenn King came over and Mrs. Beattie and I helped her select flowers for her border. So much fun for Dorothy. (Jen's bewilderment at the flower names etc.)

May 15th
Tuesday Margaret's birthday, sent her here with her mother and father on Sunday. Raining most of the day and much warmer at night. Mrs. Green came back to-day. Dr. and Rhena Stewart called this afternoon. Fixed Dorothy up for night. Gave her a good alcohol rub as her back sore. Temperature 100° again. Showed Mrs. Ryan where to plant some Shasta daisies Mrs. Beattie sent me Charles at High School Board meeting. Very tired - bad day for her. Raining again
