323 DAYS PAST MONDAY 43 TO COME

Scientific Demonstration.

Hundreds of series of hematologic examinations have abundantly demonstrated the blood constructing value of Pepto-Mangan (Gude) in the Chlorotic Anemia of young girls. This classical "green sickness" of the older writers is peculiarly amenable to its prompt hemoglobin creating power and general tonic and reconstructive effect.

Temp.

Fine I went to Aylmer with Maude & Grace. Walked back as far as Maude Thompson & then Eugene came back there from Aylmer, we both had our dinner, then we went back to Aylmer & up to Emylee's & home here. Eugene cut the heads of twenty five chicks for me, Clarence got, helped John split wood all day & Maude did the work.
