

in the afternoon went to Lake
Cola + Park. it is in the center
of town. very pretty. There
are 4 swans + 100's of wild
ducks in it. a band stand
over the water. and loud
speakers were broadcasting
music when we were there.
Nov 30th a change in the weather
oh it is cold was 45 this
a.m. and never got above
50 all day. Went to the packing
house after some grape
fruit. 20¢ a doz. The man
there said oranges no good
this year on account of
so much spraying with
Calcium Arsenik. they
certainly are no good, and
I am disappointed, they
have no taste, no juice
and are like wood.
even the skin has no color

went down town to get
some papers. they stated
very cold north - down
to 11 above at Buffalo +
16 below zero in Winnipeg
put up our little box
stone in the morning
it felt good. Bot a
load of wood half
pine + half oak. for
\$3.50 a stand they call
it think it would take
about 6 loads to make a
cord it is cut 1 ft long
Use 1st setting mitts again
^{Sum?} by noon it was over
60 and by night nearly
70 - went for a walk to
Sunshine Park and to
Concord lake + back, and
visited Mr + Mrs Hollingworth
for a while
