

1884
14 Dan dug Potatoes by Cultivator or dug up
with a Spring Cultivator it cut around many of
the large potatoes they are small except first planted
Dan & vine went away on the Express at noon

15 Dan finished the potatoes Ad is loading Dan's
luggage in a car he took his horse & a cow that he
got from Ad it is the 2 year old that came in today

16 Dan plowed the potato ground and picked up some
of the small stones brought them up to the Barnyard

17 Dan began to plow in the field below the house
the ground is very dry and hard Ad is cleaning
up the barns for the thrasher's fine day

18 Dan is plowing Ad is fixing the Barns he making
a bin in the ~~new~~ New Barn to hold the grain
that in it

19 Rev. Thom Spencer preached this morning

20 Dan plowed to some place the country over
the Salloway very dry time

21 Dan is plowing Ad cleaned out some of the dry
ditches north of the house & braced the posts
along the road for the fence I made a flat dam

22 My Green came with the thrasher this morning
they started at noon and thrashed the wheat in half
Bushed the likewise a very good fine day

23 Bucked Bushels of oats they then put the wheat
into the New Barn & the grass hay in the old barn
Bushed the Barley had bushel peas bushel

24 finished the peas this fine day had bushel
of peas in the barn

25 Dan plowed ground in the house yard

26 Rev. Thom Spencer preached this morning

27 Dan plowed Dan is cleaned up the barn
a spring water in the field garden

28 Dan is plowing in the field below the house

29 Dan is plowing in the field below the house

30 Dan finished the field & plowed the garden

31 He went to young with the green in the house
the horses that was left in the field below
the house in the garden & pulled the turnips &
cabbages they are very good they are not over-
