Ideal Reconstructive Medication

in any and all conditions requiring a forceful tonic, is **Pepto-Mangan (Gude)** to which has been added the proper dose of strychnia, according to indications. This combination is especially serviceable in the convalescence of exhausting diseases (Typhoid, Pneumonia, La Grippe, etc.) and whenever the heart and circulation need strength and support.

Weather

A cold ^{froze in} snowed some
flurries. Girls went to Aylmer
got a weath & took it down
to Arthur Leavelles for
the little girls funeral, that
was today. Then this after
noon they went to Mary
Bratts for tea. Before they
went out there they went
back to Aylmer to change
the grouse they got. John has
been hauling manure & I
have cleaned the old house all
