

Aug 1805

Thu 1. cold north east wind fairly cold in the house. Arthur finished on the forenoon threshing at Reesmyers. then they went at their oats. I put two churns on the crock after dinner worked on Paul third. he & I pulled a lot of weeds in the garden. Marjorie swept the front room & got two letters one from Mrs Kent from Hill

Wed 2 cool north wind Hill & Arthur threshing at George Heymer on forenoon afternoon finished their oats. Marjorie went to Clifton got me a lot of 25 lb worth flaked wheat. Took 12 $\frac{1}{2}$ lbs of butter to Hesters @ 18 per lb. 12 $\frac{1}{2}$ rd muslin 12 3 sheep 15 thread 5 2 rd cotton 14 laces 5. Tonges also 10

Wicks 5 Bl oil 25 Treadmill or badlem oil 10 cakes 10
The minister called. stayed in tea at the other house Paul took Roth away for nothing. he worked at the Credies drawing sheet. I churned. changing calves. running after hens. just kept me busy. This 3 dreadful cold last night & heavy dew Paul in the Credies. Will be in the shop. I went up & sold hold me to pick a nest of peas Marjorie making the curtains made one pair

Friday 4 we got up at 5 Marjorie went to Reels before breakfast. Paul went to the Credies they are drawing in the last of their wheat

thresh tomorrow. Arthur helping Fred all day & I churned in forenoon afternoon swept the house good & scrubbed the stoops & made patty

pan cakes with ricey set springs for buns all night. Had to get the cows milk & do all the chores for Paul never came home until after dark found over at the other house for supper called here. Hattie stayed all night

Sat 5 very warm & high wind. I cleaned both floors & baked buns put paper on the parlour house going to take Lark & Marjorie just got home & would not let me. I dressed the black hen & bought 10 lb worth of beef had it for supper expected Mrs Kent but she never came

Sun 6 started to thunder at 4 o'clock & started again 10 min after ten & kept it up for 3 hours. we got something in eat when it started again quite heavy & thunder at times & poured rain down hundred of good Hattie & Margaret Hoshel here on the last storm Hattie's face awful bad.

Mon 7. bright & hot thundered on the north & rained a little shower when I was over to see Hattie drove Arthur on from ploughing Will be in the shop. Hattie came over for her Paul gone after his pay at Government got 32.25. I churned & put Friday's butter on the crock 6 $\frac{1}{2}$. Marjorie went up to George
