

August

THURSDAY, 4

(217-149)

1904

To town forenoon.
E & G. plowing $3\frac{1}{2}$ a.

FRIDAY, 5

(218-148)

Showed this morning.
Plowing, harrowing 2 teams
Picked late hay.
Not. Threatens rain.

SATURDAY, 6

(219-147)

Finished plowing $1\frac{1}{2}$ a. near swamp.
Drew in 4 loads of wht. should be called 5: as there
were 47 stoks on 1 load & 44 on another.
Shot 3 ducks. I find ducks very late this year, and not particularly
plentiful. It will be 2 weeks before the yg ones can fly.
Looks like rain again.
