One said wasent that Dan who worked on the canal two or three years ago. no no said
another he got drink as a faith. that was all they knew about the Scriptures. Yet such
ones can be reached gather in the children.

Dr J Helmore Leckfort. I am going to tell about my own S.S. I am a Pres on a week of
prayer. We tried to get out the boys & girls talked with them & we had a glorious revival.
In March I asked all who loved Jesus to stand up. All but 7 rose. It was personal

conversation I believe that led to this result pray for them and with them pray for your children

One. A great responsibility rests on us as teachers. They are precious Jewels entrusted to our care. Only a little time remains for us to teach them. teach them the great truth - "God so loved the world & c It must be individual souls Go from the closet to the Class

One Nearly all our good children sicken & die in childhood. An error in S.S. Y. & our books. Conversion should fit them for active christian work. - rather teach practical working. have much good people here & c

One. Want of interest of parents a great drawback to teaching. Must convert parents first. I think that beyond the province of Teachers.

Mr Taylor - about the little man who climbed up in a tree. Who was it? What place did Jesus pass through?

What did he want? Why couldn he see Jesus When did he go Did Jesus notice him? What did he say to him? Jesus went home with him and after dinner Jesus said such beautiful words to him What was it? Remember 10 things.
