

September ^{the} 8 1904

- 4 I finished plowing for wheat and went and plowed for rube this afternoon I wood like to get my wheat in by the 20th of September 1904 before sun down
- 9 I plowed for Ruben to day it was a fine day the flies is batt and the ground is hard and dry
- 10 I plowed for Rube this morning and we cleaned out a ditch this after noon for me
- 12 I cleaned my seed wheat to day it was a fine day but cold and wet we had a big rain last night
- 13 I disked all day it was a fine day Bedy went up home to day to a talking bea

September ^{the} 14 1904

- 14 I disked a little and it rained a little the poor old horses is so por that they cant work much
- 15 I disked all day it was euk and the flies was bad
- 16 I put my wheat in to day it was a fine day Charley went to the bea
- 17 I finished my watter ~~furrows~~ furrows and drawed tobacco Odaniga Boush came and got 27 bushel of corn to night at 50 cents a bushel \$13.50 cents
- 19 I went to John Orners thrashing bea I have a nough dirt for this year so good night
- 20 I went to the bea to day it is like frost to night
- 22 I went to the bea and took bolts to the mill we had frost last night
