Monday, November 9 10

314 DAYS PAST

SATURDAY 52 TO COME

March 9, 1907.

Dr. Meier, McKeesport, Pa., says:

"I am a constant prescriber of **Pepto-Mangan (Gude)** and I must say it has done wonders by my own family. After using a number of bottles my girl feels very much improved. I was greatly surprised to see how much more readily the **Pepto-Mangan** was taken than all other iron preparations."

Fine all day, John ploughed
Carl Adams came & helped all
day finished digging the celery
Mr Rutherford & Mrs Mc Gregor
walked out & stayed a little
while Mr Rutherford brought
the girls some oranges I was
over to Mrs Lopez to see how
Mrs Boy was Melba was up
for the first to day, Mauch &
I went to Cybura to night
with the milk wagon & got
some boxes
Billey & Mariah 5
