

Wednesday, November 6

Weather - cool South west wind.
Norman & I did milking & chows
in morning. Then he ploughed all day.
Will arrived at noon.

Mother & I walked down home after dinner
then went on to the W. M. S. meeting at
the church. stayed for tea & the
Thank Offering meeting at night, it
was a lovely meeting Mrs Forbes Guleston
addressed the meeting & had views on
her work of Trinidad. not so large a
crowd as usual. ploughing match on at
G. S. Henry's.

Mother & I called in home on our way
back & rode up with Norman.

Will cleared out hen house & pig pen and
picked up more apples in afternoon.

Bankers' Blanket Bonds

65 eggs. to-day.

Thursday, November 7

Weather - fair & milder.
men ploughed in forenoon,
Norman broke tractor, then went to
Richmond Hill got back at noon.
men ploughed potatoes out in the
orchard after dinner then they ploughed
with the horses. Clarence Pinder here for a
bale of straw.

Mr Lunan came out to see me about ^{him}
Norman going to Hamilton to-morrow with
mother went down home after breakfast
and John brought her up about 8:30
at night. Norman went away.
