

MAY

at planting

THURSDAY 23

(143-222)

1907

I was home all day planting
corn about 9 acres ~~at~~ 10 acres on
west side next William's

weather warmer & threatening in
morning but no rain

Victoria Day (Dominion)

FRIDAY 24

(144-221)

I was at home all day boys were
working on best ground
at home

weather warm & springlike today
