April SATURDAY 12 1919

Dark and Cloudy all day Kenneth Putnam and I took there Horse and rig and went over to the farm in the morning we fished in the forenoon and had our dinner on the shore Clifford Earl came over after dinner and fine and I measured off what land he is to get in the afternoon we came home in the evening Henry in for a while to-night

April SUNDAY 13 1919

Rained a little all day we did not get up until late and sat around the house all day
