

Saturday, December 30

365 DAYS PAST MONDAY I TO COME

At the end, as well as the beginning of the year,  
prescribe

**Pepto-Mangan ("Gude")**

as tonic, reconstructive and blood builder.

Weather *Mild but* Temp.

cloudy. Melbert & I went to  
King's mill, & sent a box to  
Toronto. Then we came  
home & took care of little  
John, while for a while  
until four then John came  
in & stayed with Maudie  
& Loby, while Melbert & I went  
to Dryden & Alta came  
home with us Eugene  
got the horse shed. They  
was here for tea with  
us John has been drawing  
rails
