223 DAYS PAST

142 TO COME

To Quicken the Metabolism of Old Age.

through gentle stimulation of the functions of digestion, absorption and assimilation, prescribe **Pepto-Mangan (Gude)**. It exerts a sufficiently stimulating and generally tonic action to encourage the appetite and assist in the digestion and absorption of the food, without deranging the digestion or causing constipation.

Weather

Time day

I ironed. The girls papered
the west side of the closet.
John worked on the
summer fallow of the
dinner & the boy drew
manure. John went to
milk this morning up to
Levieses. Mrs Mc Gay Maude
& Frankie Hovitch was
out this morning & Ed &
Mr Wright was here for apples.
