14

We cut wood in the yard it was a fine day
it snowed a little We got them about done so I
will quit and go to bed and have a rest

15

We cut a little wood in the yard it rained^d
off and on all day Bidy got something
in her eye to day it snowed to
day

16

We went to town this morning it was a
cold morning Charlie and I cut
a little wood and took a pig over to
Stadons

16

We went and got Charlie's fodder and
did chores this morning we cut fence
blocks and rails this afternoon it was
a fine day my wheat is a good sucker

19

We made rails and stakes this morning
I did chores and split wood it ~~snowed~~
snowed off and on all day it is going
to freeze hard to night

20

We worked in the bush all day it was a cold
day I worked with my overcoat on
all morning We drew some logs to
the road and made some stakes and
some rails and drew some dirt for
a tobacco bed.

21

We made rails to day it was a fine day
I killed 4 snakes to day it was like
spring to day we went to the corner
this evening to see about getting some
logs cut.

22

We drew rails this forenoon it was a fine day.
I helped Bidy put down carpet this after-
noon and split wood and went ~~up~~ up
to Johns this evening

23

I took some logs out to the mill
to day and got them out it was a
fine day
