

1920

Rather disturbed man and a half or more.
Slept inside.

January 6 Cold moderated some. Lovely out. Went
(Tuesday) down town for meat and Mrs. Robt. Halliday
(who didn't go away after all) came into
town and I walked up to m.a.'s with her
and went on around the block to enjoy
the nice day. Tidied up Dorothy's room and
put away masquerade clothes, etc. Went
up to see brother - and called to see Mrs.
Clarke. Was on my way to Mrs. Ferguson's
to ask them over for tea when met Mrs.
Ferguson & Minnie at the Town Hall.
Went down town with them and got
home at 6 p.m. Charles went to the
prayer meeting. (week of prayer)

January 7 Quite cold - snowing but almost rain.
(Wednesday) Went to Nell, dug, Mrs. Lulu and Dorothy's clothes.
Shovelled snow for an hour and a half. After
dinner finished the path. Mrs. Ferguson
and Minnie came over for tea. Went
home about 9 o'clock as Minnie had her
trunk packed to go to the station to night.
She leaves on the early train. Started my
short-hand contractions again.
