201 DAYS PAST

165 TO COME

**The Special Desideratum.**

After the subsidence of the acute symptoms of any infectious disease the special desideratum is the prompt initiation of a blood-building campaign. **Pepto-Mangan (Gude)** builds, revives and re-creates the devitalized circulating medium, increases the appetite and absorptive capacity, augments bodily resistance, hastens convalescence and acts as a general hematinic and tonic reconstructive.

**Weather**

**Temp.**

Very warm but cooler to night. Eugene & Alita was over to night. Maudie & I went to Cyler's this morning. Mrs. Dancy sent Melba over lovely insect. Clarence was over so was Beel
