Anomalies

The People of London desecrating the remains of "Cromwell" while the Dutch Cannon were thundering at the mouth of the "Thames" 1870. Napoleon "living and thriving" was patted and styled the "Eldest Son of the Church" - Defeated and Dead every R.C. flings a stone on his "Cairn" crying "Murderer, Robber of the Holy See"

<sup>1866</sup> Canadian Volunteers repelling Fenians on the Frontier, while our Premier was "Grouching at Ottawa" - what a heaven-born Statesman -  
1872 - R. L. Cartwright's claimings support because he opposed the Premier & Sir F. Fisher his brother C. E. Cartwright appearing at the Hustings as Continues for his brother after having voted in the City of Kingston for the Premier, Day before!!!  
"more horrible" Rev. E. Ryerson, Prime Minister of Education, quoting Professor Payne of Kansas!!! as an Authority against Corporal Punishment in Schools - He says "The Rod should never be used above the Hips" why below? Why use on the head and heart as Egerton did in his "Geo. Brown Controversy"?
