

1885

April 1 Henry Talbott brought a load of wood from the Charley
He brought a load of lumber for his driving house he
broke the reach of his Babby's fire it went back

2 He brought a load of timber this forenoon it began
to storm in the afternoon and stormed all the afternoon

3 Stormed all day no work done snow rain & wind

4 Still storming this morning snow & wind the
roads is completely blocked up it is hard to

come to get to the Barn the snow is piled up at the back
house on the express and in the barn and Barnyard wind must

5 I attended the Sabbath School we have no Minister

6 I took Annie to Gananaque this morning got back
at noon then she went to Glenbuccell on the Express

He sold two cows to Mr Demster for fifty dollars

7 He went to Sand Bay with the team I went to the

X Station to see Watt he is going to the North West
as a guide to the troops in Reids Rebellion

8 rain this morning no frost last night fine day in
the afternoon

9 He is working getting out lumber for the driving
house and grocery house

10 I went to Gananaque with Dr Cornett to see the Rev
Mr Spencer about our supplies we don't want any for
two months unless he can provide himself with a horse

Single come
house on the
express from
Callington
He came home last night he broke through the
ice with Kate and cut her knee on an axe that was
left on it by Matthews through carelessness

12 I attended the Sabbath School heard Rev Mr Jeffers
preach on the revival sermon on the Late Mr. Mather

13 He tried to break the road from our gate got his horses
down got it up the snow quite soft with rain

14 He went to Sand Bay to get out lumber heavy frost last night

15 heavy frost last night cold day it is at the Charley yet

16 heavy frost last night warm day the sap runs
well snow is going off the fields the roads is bad

17 heavy frost fine day sap is running well

18 frost last night He came home at noon to
day warm and clear sun shine
