The Bull horse got loose last night & has kicked doll very bad repaired some brouse & fixed doll little sore worked at the house fine day Ad bored bunk no meeting to day went to Crabe young he cut his foot yesterday he is doing well Tonney started for Goderidge from the Stobo Ad went to Wm Fergusons to see if he could get his horses to work he gave them to him began to make the fence for the orchard fine day I fixed a barrel & look at the potatos its the sellar is so far there is very few rotten
22 worked at the fence & came at the potatos
23 Ad began to plow in the old medow this afternoon fine day I worked at the fence
24 worked at the fence & finished it Ad plowed
25 & finished plowing that piece & began this side
26 of the summer fallow Humphrey young
27 helped him he had our Bull & Crates Gin
28 Rev'd Mr Crafford preached in our Schoolhouse
& the Rev'd Mr Carrol in the Creek
29 chopped some old logs where Ad is plowing
& planted some seed turneps fine day
30 began to sow & sowed 10½ bushel of Potatos
on Sward where it was plowed last fall & this
Spring the ground is in very good order
31 & plowed for Hum young on our own land
he has taken part of the North field on shares comer east
& plowed in the North field next to where it was seeded
last Spring
