280 DAYS PAST

SUNDAY

86 TO COME

May 8, 1907.

Dr. S. B. Moore, Wilmington, Ohio, says:

"Pepto-Mangan (Gude) I find superior as a blood-builder to anything I have ever tried. It is invaluable in the treatment of conditions following grip, and in weak or aged persons, particularly where the stomach and bowels are affected."

Cold & cloudy Girls & I went
to Sunday school. I went and
stayed with Leas. Our boy
has been over twice. I
got in down the road &
road out with Clarence Skinner
& his wife & road to town.
Maudie & I was over to
Mr Leas to night!
