

TUESDAY ⁶⁹⁹⁰⁷

Thursday, January 30

30 DAYS PAST

336 TO COME

Dec. 1906.
Dr. Alvarez Amezca, Mexico City, Mexico, says:

"I have used Pepto-Mangan in the hospital and have seen that it is a great preparation."

April 18, 1907.

Dr. R. T. Morgan, Jackson, Ohio, says:

"I very frequently prescribe Pepto-Mangan (Gude) and always get good results. It is all you claim for it."

I shaved all day roads
getting quite bare in places
Girls drove to school. John
has been drawing travel.
all day. Eugene & Aleta
was here for dinner on their
way to Lytner. Albert &
Abbley was up for the evening
Dr. Pickering operated on
Dolley again today. I let
the bullets out a little while
this afternoon
