

Clarence & Bob got their hats
and got his buggy smashed.

Saturday, November 27

331 DAYS PAST

34 TO COME

The Vital Solvency

of the patient must be maintained at all hazards: Anemia must be combated and nutritive reenforcement encouraged and increased. **Pepto-Mangan (Gude)** begins at the foundation, by increasing the vital element of the blood, thus indirectly hastening absorption and insuring the assimilation of the patient's nourishment.

Weather

Temp.

Rained some
this morning, & very hard last
night. The roads are very muddy
Maudie & Mella went to Eugene
this morning after they came
home from Mr Abello, & are
staying all night. John & I
was over to Mr Loves to night
& spent the evening. I finished
leather under waist joke to
night. John was making
this four noon down to sheds
corn this afternoon
