

May

MONDAY, 12

(132-233)

1919

Done chores. Do picking up brush in
orchard and clippings of spruce trees.
Went to Mr. Isaac with a heifer in forenoon.

Cultivating back by maple trees also sowed and
harrowed it to wheat.

Dull in morning and a little misty, but
brightened up after dinner. Fine night.

TUESDAY, 13

(133-232)

Done chores and cultivated rape ground
on other place in forenoon.

They harrowed and sowed it in
afternoon. 7 ac.

Mrs. Bill Anderson here for dinner
and tea.

Beautiful warm day.

WEDNESDAY, 14

(134-231)

Done chores. Then cultivating in field next
windmill in forenoon.

Sowed and harrowed it in afternoon.

Fine and very warm.
