

went to Chatham in forenoon
while boys are working on wheat
ground

FRIDAY 13

(256-109)

I left the boys working wheat ground
while gone to B. S. Convention at
Sandwich.

I left Fletcher on accomodation
and had a pleasant trip in company
with Gov Robb to Essex centre.
The strange feature of trip was the
number of engine being $88\frac{1}{3}$, train $W\frac{1}{3}$
date 13th of month and first coach
contained 13 passengers most of way
arrived in Windsor about noon I went
to Sandwich in time for convention
session which was fairly also
fare program at night. helped
lead Devotional exercise by appointment
