

Ther. WED. SEPT. 14, 1898. Wea.

I rose this morning and found my eye much better it is not much sore at all. Mother and I are busy preparing the lining for a quilt, and attended to the other work, we are having beautiful weather now, the men are busy at the seeding.

10 Ther. THURSDAY 15 Wea.

The sun came up bright this morning but about 9 o'clock it got cloudy and the sky became terribly black, we had quite a rain, Mother and I put some apples to dry and then we went at the quilt again we got it in the frames.
