

July, 1931

27 Monday. Sultry day.

The men brought in 4 loads of hay and Walter cut the last of it. They hoed turnips for awhile this p.m.

Enoch & Drow Schneider called tonight.

28 Tuesday. Hot day.

Willard scuffled all day. Vernon worked up the summer fallow and Walter was hoeing. This p.m. Walter & Vernon helped to thresh wheat at Enoch Schneider's.

Ella did the washing this morning and picked berries in Reist's this p.m.

29 Wednesday. Shower this morning. Fair and hot.

Walter went to Alma this morning to see Mr. Fairweather about the threshing. Vernon & Willard plowed this p.m. Sam Horst helped and they brought in the last 6 loads of hay. They brought in the last load of raking in the moonlight. We have 70 loads of hay.
