Saturday September 30<sup>th</sup>  
Did not get up early as I did not feel  
very well. Corby came before breakfast  
and Dick and Frank went off with  
him after chest nuts. They did not get  
back till after dark. They said they had  
good luck, they went to one place <sup>Corby</sup> paid  
the man a quarter for the tree and  
stayed there all day. It was up near  
the Glen. They saw old Bill walking home  
Dad as usual went over and cut a post  
in for the fence between the far wheat field  
and the gully. Then we went back  
about half past ten and started to cut corn  
We cut till dinner and finished the field this

sit in the lane before noon and after dinner we  
found her with her leg caught in the wire  
which she had done by rolling. We had quite

wheels, but she was not hurt badly. Dad killed

the lane with the gun. after mushrooms  
that did not find any. Dick, Frank and Quint  
went back in the woods. (I thought it would be  
too wet) and got a woodcock, ~~two~~ and a  
big puff ball. Clark Matthews was here
